

Kairos Retreat

Director ~ Rev. John Chung Nguyen, School Minister

Kairos is a Greek word which means 'God's Time.' It is also the name we give to our four day retreat experience which is available to our school senior and junior students. The retreat, given three times throughout the year, is designed so that a person grows in awareness of self, others, and God. It is an opportunity for the young person to grow in his/her relationships, especially his/her relationship with Almighty God. Literally thousands of students have participated in this experience in schools throughout the country. It is without doubt, an outstanding encounter with the Risen Lord Jesus!
