***“I have set before you life and death, the blessing and the curse. Choose life, then, that you and your descendants may live...” (Deuteronomy 30:19)***

**The Respect Life Club at Archbishop Wood is an organization of faculty and students whose missions is to uphold the dignity of human life. In response to the Gospel of Life, we commit ourselves to prayer, education, and action in defense of life. It is our mission to foster in our community an awareness of the dignity and sanctity of all human life, from conception to natural death. We are dedicated to observing and promoting the teaching of the Roman Catholic Church on all life issues, including abortion, euthanasia, infanticide, assisted suicide, and stem cell research.**

“The legal protection of the right to life of innocent human beings is the basic issue upon which all other issues of human rights and justice depend.”

The Respect Life Club prayerfully participates in the monthly Vigil for Life outside the Warminster Planned Parenthood Clinic.
