### **EARLY DISMISSAL POLICY**

THE PUBLIC SCHOOL DISTRICTS ***DO NOT*** PROVIDE BUS TRANSPORTATION FOR EARLY DISMISSALS on your roster. Students with an early dismissal are expected to leave the school property immediately after their last class. Students officially summoned on school business for a time after that early dismissal time, however, are bound to keep the appointment.

Parents accept the responsibility for the student who leaves school property before the close of a regular school day.

If transportation home presents a problem, students should notify the Academic Office so that they can be rostered through the 8<sup>th</sup> period. Any student who is found loitering around the building or grounds will automatically be rostered for 8<sup>th</sup> period study.

Students ***should not*** assume that they would have a specific early dismissal time; therefore, they ***should not*** make work commitments with respect to time until ***after*** they receive their roster in August.

Once a roster has been prepared, it will not be re-arranged to produce early dismissal or improve an early dismissal situation.

### **ROSTER CHANGE REQUESTS**

Requests for roster changes in August and September will only be made for serious ***academic*** reasons. Changes will be subject to a \$25.00 fee which will be processed through your Smart Tuition account, and can ***only*** take place ***on*** or ***before*** the deadline listed below:
