What is SCRIP?

How does it reduce tuition expenses?

With each purchase you make, you will earn 5% of amount in credit toward the student's tuition account. For example, along with a purchase of \$100 in SCRIP, you will receive a "pink" voucher for \$5 and with even a purchase of \$25 you will receive a "pink" voucher for \$1.25.

What do I do with the voucher?

Send the pink voucher to the Tuition Office, room 245 and the Tuition Officer will post to your Smart Tuition Account. Your scrip credit will be reflected on your bill from Smart Tuition.

What stores are available?
