

ARCHBISHOP WOOD HIGH SCHOOL
ON CAMPUS PARKING REGULATIONS

Parking Fee \$150.00

- Student parking on school premises is restricted to assigned spaces only.
- Archbishop Wood assumes no responsibility for any vehicle while parked on school property.
- Seniors are given first consideration, followed by juniors. Students purchasing parking spaces must have a valid driver's license at the time of purchase.
- All vehicles must be registered with the Student Services Office. No student may "sell" or "give away" his/her parking space to any other student who is not registered. Also, parking spaces are not to be shared with other students.
- Speeding or any driving violation in the parking lot is prohibited and will result in disciplinary action, a fine, loss of parking privileges - and your fee will not be refunded.
- Students are not permitted to park in the privately owned parking lots and ABW bears no responsibility for cars parked in these lots. Lot owners will enforce their individual policies regarding illegally parked cars.
- All vehicles parked on school grounds must display the school parking permit on their review mirror. All other vehicles are subject to be towed at the owner's expense.
- Assigned parking spaces become the student's responsibility. If there is any destruction to the assigned space, littering, etc., the student assigned to the space will be responsible and disciplinary action will be taken.
- The Nativity complex and the old convent is private property! It is not a public thoroughfare! Students caught driving through this property will lose their parking privileges and disciplinary action will be taken.
